

| Field         | Type                     | Required | Observed Requirements                                                                                                                                                                                          | Open Questions                                                                                                                                                                   | Notes                                                                     |
|---------------|--------------------------|----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------|
| First Name    | Text Input               | Yes      | Required field (*). Placeholder: "First name".                                                                                                                                                                 | What is the minimum length? What is the maximum length? Which characters are allowed? Are leading/trailing spaces trimmed automatically?                                         | Required field indicator (*) is displayed inconsistently across the form. |
| Last Name     | Text Input               | Yes      | Required field (*). Placeholder: "Your last name".                                                                                                                                                             | What is the minimum length? What is the maximum length? Are hyphens (Anna-Maria) allowed? Are apostrophes (O'Connor) allowed? Are leading/trailing spaces trimmed automatically? |                                                                           |
| Date of Birth | Date Input               | Yes      | Required field (*). Placeholder format: YYYY-MM-DD.                                                                                                                                                            | What is the minimum allowed age? What is the maximum allowed age? Can future dates be selected? Is manual input allowed or only date picker selection?                           |                                                                           |
| Country       | Dropdown                 | Yes      | Required field (*). Country is selected from a dropdown list.                                                                                                                                                  | Can only one country be selected? Is search available in the dropdown? Is there a default selected value?                                                                        |                                                                           |
| Postal Code   | Text Input               | Yes      | Required field (*). Used together with Country and House Number to retrieve the address automatically.                                                                                                         | What is the expected format? What is the maximum length? Does the format depend on the selected country? Are spaces allowed?                                                     | Address fields are auto-completed after lookup.                           |
| House Number  | Text Input               | Yes      | Required field (*). Used for automatic address lookup.                                                                                                                                                         | Are letters allowed (e.g. 12A)? What is the maximum length? Are special characters allowed (e.g. 12/4)?                                                                          |                                                                           |
| Street        | Text Input (Auto-filled) | Yes      | Filled automatically after entering Country, Postal Code and House Number.                                                                                                                                     | Can the user edit this field manually? What happens if the address lookup fails?                                                                                                 | Auto-filled field.                                                        |
| City          | Text Input (Auto-filled) | Yes      | Filled automatically after address lookup.                                                                                                                                                                     | Can the user edit this field manually? What happens if the lookup returns an incorrect city?                                                                                     | Auto-filled field.                                                        |
| State         | Text Input (Auto-filled) | Yes      | Filled automatically after address lookup.                                                                                                                                                                     | Is this field required for every country? Can the user edit it manually?                                                                                                         | Auto-filled field.                                                        |
| Phone         | Text Input               | Yes      | Required field (*). Phone number input.                                                                                                                                                                        | What phone number format is accepted? Are international numbers supported? What are the minimum and maximum lengths?                                                             |                                                                           |
| Email Address | Email Input              | Yes      | Required field (*). Email input field.                                                                                                                                                                         | What is the maximum length? Are email addresses case-sensitive? Are duplicate email addresses allowed?                                                                           |                                                                           |
| Password      | Password Input           | Yes      | Required field (*). Minimum 8 characters. Must contain at least one uppercase letter, one lowercase letter, one number and one special character. Password strength indicator is displayed (Weak → Excellent). | What is the maximum password length? Which special characters are supported? How is password strength calculated?                                                                |                                                                           |
| Register      | Button                   | No       | Submits the registration form.                                                                                                                                                                                 | Should the button be disabled until all required fields are valid? Can it be clicked multiple times? Is a loading indicator displayed after submission?                          |                                                                           |
